

# PRIMARY CARE RESEARCH OPPORTUNITY

**Vanderbilt School of Nursing** is currently recruiting for a national survey study involving **Leaders and Schedulers** involved in the scheduling of patient appointments in primary care.

If you:

- Are either-involved in policy and procedures of new and returning patient appointment scheduling or schedule new and returning patient appointments
- Are a CEO, CNO, medical director, lead administrative assistant or lead scheduler
- Work in primary care
- Have been in your role at least 1 year

**Eligible individuals may participate at no charge**

Participants will be provided with results upon completion of the study.

If you would like additional information about this study, please call

Jennifer Rivas at **646-584-6464**

Or email **[jennifer.Rivas@vanderbilt.edu](mailto:jennifer.Rivas@vanderbilt.edu)**
